Applicant's arguments, see the response to the Ex parte Quayle action filed 5/25/2005 with respect to the amendment to the abstract and the new drawing for figure 5 with the corresponding amendment to the specification and amendment to the claims have been fully considered and are persuasive. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
